85 The resolutions of the Municipal Boards of Ankal, Channapattina & Saryapur that they do not like to bear any portion of the cost on the ground that they do not derive any benefit appear to require reconsideration on ascertaining from the Veterinary Hospital whether no cases from those municipalities came for treatment.

86 The charges of Rs. 7 dispensaries in Munt towns are now met from the St & Munt funds in the proportion of $\frac{2}{3}$ Rs. & $\frac{1}{3}$ Rs. while those of dispensaries in Munt areas are met entirely from St funds.

According to the scheme
of the Mysore Veterinary Depart-
ment, there are to be twelve
Hospitals and eighteen Dispens-
aries for the whole of the
Province. Four Hospitals and
four Dispensaries have been
opened for the present -

90

The following rules as
regards the apportionment of
the cost maintenance charges
~~are~~ simple and may, it seems,
be adopted: -

~~be adopted~~ The maintenance
charge shall be borne out of
District Funds but if the Hos-
pital or Dispensary is situated
in a Municipal Town, the Municipal
Council

of such
town
BB

Serial

Councils shall contribute
one-third of the cost of
maintenance to the District
Funds -

91 This is similar to the
rule regarding the cost of Local
Fund Dispensaries -

92 As regards Bellary, Channarayana
and Gubbi, the Dist. Boards
are willing to ^{bear} ~~pay~~ two-thirds
of the cost of maintenance
and the Municipal Councils
in those places are willing to
bear the remaining one-third.

93 The Presidents of Mu-
nicipalities in the Districts of
Bangalore, Mysore, Hassan
and Chitaldroog have thought
fit to ask ~~the~~ ~~all~~ the Municipal
Councils of all the Municipa-
lities within their respective
~~res~~ Districts to contribute
towards the cost of maintenance.
The reason for doing so is not
apparent. The Municipal
Councils of some of the Muni-
cipalities in the Bangalore Dist.

have refused to contribute anything towards the cost of maintenance, and very rightly as it seems, on the ground that they derive no benefit from a Hospital located in Bangalore. There seems to be ~~absolutely~~ no justification whatever for calling upon the Municipal Councils of all the Municipalities in a District to contribute towards the cost of a Hospital or Dispensary opened in some one place.

94 The Dist. Board of Shimoga are of opinion that Anantapur is not a proper place for locating the Hospital and that two Hospitals may be opened one at Shimoga and the other at Sagar.

95 The Rev. Commr. is of opinion that in the case of a Hospital or Dispensary situated in a Municipality, the expenditure may be distributed equally between Dist. and Ml. Funds. The proportion I have suggested is two-thirds and

FROM

A. RANGASWAMI IYENGAR Esq., B. A., B. L.

Revenue Commissioner in Mysore.

To

The Secretary to the Government of His Highness

the Maharaja of Mysore,

General & Revenue Department.

SIR,

In reply to your letter No.218/L.B.455-07-2 dated 8th July 1908, requesting me to state the amount required from the District and Municipal Funds and Local Funds General for the current year for meeting a portion of the cost of the Veterinary Department, I have the honor to state that a sum of Rs.1,800/- is debitable to the District and Municipal Funds on account of the 'maintenance charges' of four hospitals and ~~four~~ Dispensaries and a sum of Rs.3,204/- to the Local Funds General on account of the Establishment ^{charges} ~~General~~ of the same institutions (vide accompanying statement for the amounts debitable in respect of each hospital or Dispensary.)

2. It is not possible to say what portion of the former amount is debitable to District Funds and what portion to the Municipal Funds as required in your letter under reply; for, it is not clear from para 2 of Government Proceedings No.F1. 6768-9/F1.F1.106-07 dated 27th ^{June} ~~July~~ 1908, whether in the case of a Hospital or Dispensary stationed in a Municipality the Maintenance charges should be borne partly from the Municipal Funds and partly from the District Funds, and if so, in what proportion, or wholly from the former. I would suggest that in such cases the expenditure may be distributed equally

Sir,

With reference to your docket No. $\frac{888-95}{LB 455-07-3}$

dated 25th July 1908, calling for a report as to
in what proportion the maintenance charges
of the Veterinary Hospital at Bangalore during
1908-09, will be met by the several Municipal
Boards in this District &c, I have the honor
to state as follows:-

The Municipal Boards of Hoskote, Kela-
mangala, and Tyamagondlu are willing
to contribute $\frac{1}{3}$ of the proportionate charge
to be met from XI Miscellaneous in the
current year's budget of their respective
Municipalities. The Municipal Boards
of Magady and Cholepet promise to pay
and $\frac{2}{3}$ of the maintenance charge

respectively, to be met from 61 Miscellaneous. The Municipal Boards of Devanahalli and Vadigenahalli have resolved to pay Rs 15/- each from VIII Public Works. The Boards are however silent with regard to the proportion in which the charge could be met. The Municipal Board of Doddaballapur has resolved to the effect that the full charge should be paid out of District Funds. Lankanhalli pleads its inability to meet the charge, for want of funds. The Municipal Board of Channarayana has resolved that as there are not many cattle in the town, and that as the town does not stand in need of help from the Veterinary Hospital, it is not justifiable to demand any contribution. Similarly, the Boards of Anekal and Sarjapur have expressed their inability to meet the charge on the ground that the Hospital in question is located in Bangalore and as such the cattle of their respective towns do not derive

derive any benefit from the
~~Hospital~~ at Bangalore.
